LA VETUDA DI VERTINE: TUSCAN FARMHOUSE ESTATE

This award-winning, luxuriously-restored 16th century farmhouse estate is set in the heart of Tuscany, overlooking rolling vineyards and the Vertine Castle. Occupying an entire hillside in the Chianti Classico region and enfolded in a lush landscape of olive groves and Italian cypress trees, it is a picturesque Tuscan scene. The estate itself consists of a main house and a guesthouse. Five bedrooms (including two master suites), plus a study, media room, dining room and many other gathering areas combine to create a spacious yet intimate retreat. Other standout features include an infinity pool suspended at the edge of a panoramic view of the vineyards, plus a bocce ball green, a billiard room and a courtyard with a real wood-burning pizza oven shaded by fragrant lemon and orange trees.
